

CALL FOR STUDENT ARTISTS!

The Dallas Symphony's *Pictures at an Exhibition* concerts are multi-disciplinary events that will explore the relationship between music and art. Be a part of this process by submitting your students' original artwork to be displayed in the lobby of the Meyerson!

CREATE ART INSPIRED BY MUSIC!

Students are invited to illustrate or interpret their favorite song or music. Artwork will be displayed in the Meyerson lobby during Youth Concerts on January 24th and 25th, and during the Family Concert on June 2nd. Selected artwork will be displayed at the DMA's Center for Creative Connections Studio during the months of February-May. All artwork will be available for pickup at the Meyerson after the Family Concert on June 2nd.
